The attention of Firms and individuals connected with Furniture and Wood works is invited to the Notification of the Special Engineer, Vidhana Soudha Division, Residency Compound, Bangalore-1, calling for Tenders for preparing Doors and Window Frames and appearing on page 301 Part VI of the *Mysore Gazette*, dated 4th March 1954. The last day of the Tender is 22nd March 1954 up to 4 P.M. and the earnest money required is Rs. 250.

Tender Forms can be had from the Office of the Special Engineer, Vidhana Soudha Division, Bangalore on payment of annas 4, for each form.

8738

Notification dated 4th March 1954.

Sealed tenders will be received at the Office of the Special Engineer, Vidhana Soudha Division, Residency Compound Bangalore-1, up to 4 P.M. on 26th March 1954, for supply of materials noted below.

G.I. Pipes.

1	G.I. Pipes 4"	...	4,000 R.ft.	Rate per R.ft.
2	D 2"	...	3,000 ,,	
3	Do 1½"	...	2 000 ,,	

Coir Ropes.

1	1/4" Diar well twisted 4 ply	...	5 tons Rate per C.wt.
2	3/8" Diar. Do 5 or 6 ply	...	5 tons.
3	½" Diar. Do 6 ply	...	5 tons.

Rates tendered will be F.O. . Vidhana Soudha Division, Stores, Residency Compound, Bangalore-1,

The quantities noted above are only approximate and the rates quoted should hold good even if the quantities exceed or fall short.

Tender forms can be had from the office on payment of annas 4 per form. Tenderers must quote their rate against each item in the abstract form, both in figures and words.

Each tender should be accompanied by a Bank chellan (Reserve Bank chellan) for having credited in cash, necessary deposit of Rs. 250 under "P. Deposits and Advances not varying repo its Revenue Deposits". No tender will be received without earnest money. The chellan will have to be got countersigned by the undersigned before being presented to the Reserve Bank of India, cheques will not be accepted. The final acceptance of the tender will rest with undersigned and no reasons will be assigned for the rejection of any tender.

On acceptance, the materials should be supplied at the Office of the Vidhana Soudha Division. The supply of G.I. Pipes will have to be completed by 29th March 1954. Firms dealing exclusively in G.I. Pipes or Coir Ropes, should submit their tender for that commodity in which they transact business.

M. MUNIAPPA,
Special Engineer.

8807

TUMKUR DIVISION.

Tender Notification.

Sealed tenders will be received in the Office of the Executive Engineer, Tumkur Division, Tumkur, up to 4 P.M. on 16th March 1954, for the undermentioned work :—

Name of work	Amount of estimate	Earnest money	Monthly progress
	Rs	Rs.	Rs.
Restoring Akkalasandra Tank, Thuruvekere Taluk.	25,000	12,00	3,000

1 Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Tumkur Division, on payment of four annas (Re. 0-4-0) should be addressed to the Executive Engineer, Tumkur Division, Tumkur, in a sealed cover. The name of the work and the full address of the contractor should be written on the cover.

2 Each tender should be accompanied by a treasury chellan for having credited the earnest money under Revenue Deposits. If any tenders are received without treasury chellan, it will be rejected. After tenders are disposed off the treasury chellan accompanying the tenders of unsuccessful tenderers, will be returned to him by the Public Works Department with an endorsement signed by the Divisional Officer to the effect that the tender is rejected and the amount of the chellan may be repaid to the party concerned. No dues from the department or drafts or cheque will be accepted.

3 Individual rate should be quoted for each item of work. Tenders on percentage basis will not be valid.

4 For items not provided in the estimate, schedule of rates will be paid, or as per data worked out during the execution of the work.

5 The estimate and plan can be seen by the contractors, during the working days between 11 A.M. and 5 P.M.

6 Rates quoted will hold good till the work is completed. The rates quoted by the contractor will be considered as inclusive of sales-tax. No separate claims for sales-tax will be considered. The contractor should furnish income-tax certificate with the tender or before the execution of agreement at the latest, failing which, the tender will be cancelled and deposit forfeited.

7 No conditional clauses will be accepted.

8 The tenders will be opened by the Executive Engineer, in the presence of such tenderers who wish to be present on 16th March 1954, at the Executive Engineer's Office at Tumkur. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any. If any petitions are received after the tenders are opened, such petitions will not be considered.

9 The name of the successful tenderer will be posted on the notice board in the Executive Engineer's Office after the tenders are settled. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental schedule contract form. In case of failure to comply with this condition, the earnest money of this contractor will be forfeited and the tender will be disposed of otherwise.

K. V. SIDDABASAVAIAH,
Executive Engineer.

G. SUBRAHMANYAM,
8587 *Ex. Engr.*

NANJANGUD DIVISION.

Notification.

Sealed tenders duly signed by the contractors will be received by the undersigned up to 4 P.M. on 26th March 1954, for the following work :—

Serial Number.	Name of work	Amount of Estimate	Earnest money	Work to be completed by the end of	Monthly progress
		Rs.	Rs.	Rs.	Rs.
1.	Constructing Pump House 15'× 10' for Water Supply Scheme at Kuderu	2,600	130	July 1954	1,000
2.	Laying Distribution and raising Mains and erecting 10 public fountains to water supply schemes to Kuderu ...	17,300	865	Dec. 1954	2,000
3.	Constructing on over head R.C.C. Tank 10,000 gallons capacity on 25' staging with necessary Pipe connections to water supply scheme at Kuderu ...	14,800	740	Dec. 1954	1,500

1. The contractor shall quote for each individual item of work both in words and figures in the estimate and the rates as quoted shall hold good if the tender is accepted within six months from the date of tender. The rates quoted should include provision for payment of sales-tax due to Government by the tenderer.

2. Plans, estimates and other particulars regarding rates, etc., can be had for inspection in the Office of the Executive Engineer, Nanjangud Division, Mysore, on all working days between 2 P.M. and 4 P.M.

3. The successful contractor shall bind himself to abide by the departmental rules in force and shall execute the necessary *mutchalika* within seven days of receipt of notification and information regarding acceptance of his tender, failing which his earnest money will be forfeited.

4. Tenders will not be considered unless they are in the form which will be supplied on payment of Re. 0-4-0 at the Office of the Executive Engineer, Nanjangud Division, Mysore.

5. Each tender should be accompanied by a chellan for the amount noted against each of the items detailed above, as earnest money paid at a Government Treasury under "40 (1) Remittances, Payments into Treasury by P.W.D. Officers".

6. The final acceptance of the tender will rest with the Executive Engineer. For non-tendered items of works, the minimum schedule rates will be given, if the items should be scheduled items, otherwise rates arrived at from data sheet as per actuals (with 10 per cent for contractor's profit) will be given.

7. The cost as per the current rate of cement and steel, i.e., Rs. ... per ton and Rs. ... per cwt., respectively, or value at the controlled rates at the time of execution, will be recovered from the bills in case these are supplied departmentally. These will be supplied by the Departments either from the Division or Sub-Division Stores whichever is nearer to the work-spot. The transportation charges are to be met by the tendered contractor. An addition of 10 per cent on the cost of the material will be charged as centage.

8. Tendered contractor has to pay compensation to the disabled workmen working under them for any injury caused during the execution of this work, failing which the amount will be deducted from the bills and paid to the injured.

M. VEDAVYASACHAR,
8812 *Ex. Engr.*

MANDYA DIVISION, MANDYA.

Notification dated 5th March 1954.

The attention of the public is invited to the Gazette Notification dated 30th January 1954 calling for tenders for the restoration work of Basavanakatte tank near Chickjataka, Nagamangala Taluk, etc., and is hereby notified that the due date for receiving tenders is extended up to 4 P.M. on 29th March 1954.

L. C. KESHAVA RAO,
8804 *Ex. Engr.*

MALAVALLI DIVISION, MANDYA.

Notification.

Sealed tenders will be received in the Office of the Executive Engineer, Malavalli Division, Mandya up to 4 P.M. on 17th March 1954, for the following work :—

Constructing R.C.C. Foot Bridge to connect Sivasamudram Island with the left Bank of Cauvery River.

1. The contractor shall quote for each individual item of work both in words and figures in the estimates and the rates quoted shall hold good till the works are completed. The rates quoted should include provision for payments of sales-tax, royalty or any tax due to Government.

2. Monthly progress should not be less than Rs. 5,000 and the work should be completed in all respects within four months from the date of acceptance of tender.

3. No conditional clause will be accepted.

4. No cheques will be accepted for earnest money and no request for the adjustment of amount due by the Government can be entertained.

5. Estimates and other particulars regarding rates, etc., can be had for inspection in the Office of the Executive Engineer, Malavalli Division, Mandya on all working days between 11 A.M. and 5 P.M. (9 A.M. and 12 NOON on Saturdays).

6. The successful contractor shall bind himself to abide by the departmental rules and specifications in force and shall execute the necessary *mutchalika* within seven days from the date of intimation of acceptance of his tender, failing which, his tender will be cancelled unconditionally and his earnest money will be forfeited.

7. Tenders will not be considered unless they are in the prescribed form, which will be supplied on payment of Re. 0-4-0 at the Office of the Executive Engineer, Malavalli Division, Mandya.

8. Each tender should be accompanied by a Treasury Chellan for Rs. 3,675 as earnest money paid at a Government Treasury under "S—Remittances—Payments into Treasury by P.W. Officers" (Malavalli Division).

9. The final acceptance of the tender will rest with the Government. For non-tendered items of work, the minimum schedule rates, will be given, if the items are scheduled items. Otherwise, data rates arrived at with reference to minimum schedule with 10 per cent Contractor's profit on non-Schedule items will be given. Contractor's profit will not be allowed on the cost of materials supplied by the Department.

10. The cost as per current rate of cement and steel or value at the controlled rates at the time of execution will be recovered from the bills in case they are supplied departmentally. The materials can be had from the nearest Departmental Stores. An additional ten per cent

on cost of the materials supplied from the Department will be charged as centage.

11. Reserve and earnest money deposits will be repaid only at the time of settlement of final bill.

12. The Department does not take the responsibility in supplying the machines, etc.

13. Tendered contractors have to pay compensation to the disabled workmen working under them for any injury or death caused or occurred during the execution of this work, failing which, the amount will be deducted from the bills and paid to the injured or to the legal heirs of the deceased.

14. The term "Specification" mentioned either in the schedule or in the estimate in the notified items would mean "Specific" items of work to be done according to the instructions of the Public Works Department with reference to design, calculations, etc., furnished during execution" and no higher rates than tendered ones will be paid.

15. The Department does not undertake to supply lorries to the contractor.

16. Quantities given in the notification and schedule are approximate and are liable to alterations. No extra rates will be allowed for such alterations.

17. The works should not be sublet.

18. The contractor will have to make his own arrangements for water required for the works, scaffolding materials, conveying of materials, approach road to quarries, sand bags and necessary precautions from flood damages. No extra amount will be paid for any of the above items.

8640 M. N. RAMAKRISHNA, *Ex. Engr.*

HASSAN DIVISION.

Brief Notification.

8752 *Ex. Engr.*

SHIMOGA DIVISION.

Notification dated 16th February 1954.

The attention of the public is drawn to the Notification calling for tenders forthe construction of a Bridge Across Mathi Halla at 2/18 of Holehonnur Hanchina Siddapura Road, published in page 245-46 of Part VI of the *Mysore Gazette*, dated 25th February 1954.

The last date for receiving the tenders is 12th March 1954.

8654

Notification dated 27th February 1954.

Sealed tenders duly signed by the contractors will be received in the Office of the Executive Engineer, Shimoga Division, Shimoga, up to 4 P.M. on 22nd March 1954:—

Name of Work	Amount of Estimate	Earnest Money
	Rs.	Rs.
Construction of Resident Medical Officer's quarters in the premises of McGann Hospital at Shimoga.	16,100	805

1. Each tender must be accompanied by a duplicate treasury chellan for having credited the amount of Rs. 805 being the earnest money under "Revenue Deposits." Tenders not accompanied by the Treasury chellan for having credited the earnest money will be rejected. Requests for adjustment of amount due by Government will not be considered. The contractor should quote rate for each individual item of work in the estimate.

2. No cheques will be accepted.

3. The successful contractor shall bind himself to abide by the departmental rules in force and shall execute the necessary *mutchalika* within a fortnight from the date of receipt of information of acceptance of his tender, failing which, his earnest money will be forfeited.

4. The final acceptance of the tender rests with the Superintending Engineer, Shimoga Circle, Shimoga, who does not bind himself to accept the lowest or any other tender or to assign any reason whatsoever for the rejection of any.

5. No conditional clause will be accepted.

6. The rates to be quoted should be inclusive of Sales-tax, Octroi-tax and any other tax prevailing in the area.

7. The contractor must make his own arrangements for conveying materials.

8. Copies of the tender forms may be had from the Office of the Executive Engineer, Shimoga Division, Shimoga, on payment of annas four per form.

9. The plan, estimates and other particulars relating to the work will be available in the Office of the Executive Engineer, Shimoga Division, Shimoga, between 11 A.M. and 5 P.M. on all working days.

10. For lumpsum provision and for items not provided in the estimate, the rates will be paid as per current schedule of rates. For items of works not found in the schedule of rates, the rates as per approved data will be paid.

11. The earnest money deposit of the unsuccessful tenderer is refundable after acceptance of tender by competent authority or after two months from the date of receipt of tenders whichever is earlier.

12. The rates quoted shall hold good if the tender is accepted within six months from the date of tender and

shall thereafter be binding for the execution of the entire work.

13 The sales-tax and income-tax clearance certificates should be enclosed along with the tender and tenders received without the certificate are liable to be rejected.

14 Tendered contractors have to pay compensation to the disabled workmen working under them for any injury or death caused or occurred during the execution of this work, failing which, the amount will be deducted from the bills and paid to the injured or to the legal heirs of the deceased.

15 The contractor will have to make his own arrangements for water required for the works, scaffolding materials, conveying of materials, approach road to quarries. No extra amount will be paid for any of the above items.

16 If the work is not completed and handed over within the specified time a fine of Rs. 50 will be levied for every month's delay.

C. K. RANGARAJA IYENGAR,
8265 *Ex. Engr.*

OFFICE OF THE EXECUTIVE ENGINEER, TUNGA ANICUT DIVISION, GAJANUR POST, SHIMOGA.

Notification dated 16th/18th February 1954.

Auction Sale of "Ford Lorries" Nos: MY 3964 Z and MY 3965 Z or (old No. 7076)

It is hereby notified for the general information of the public that two old and unserviceable lorries of this Division will be sold by the public auction in "As is and where is" condition by the Executive Engineer, Tunga Anicut Division, Gajanur Post (Shimoga) or by any Officer empowered by him in pursuance of Special Chief Engineer's Order No. 5609 dated 1-2-1954 on *15th March 1954* at Tunga Anicut Site near Gajanur in Shimoga District at 9 A.M.

2. The sale is subject to confirmation by the Special Engineer, Bhadra Reservoir and Tunga Projects, Bhadra Reservoir Project Post.

3. Each bidder shall, before being permitted to bid should deposit with the Officer conducting sale, a sum of Rs. 100 as Earnest Money.

4. The highest bidder shall immediately after auction sale, pay the full bid amount in cash excluding his earnest money deposited together with sales tax at prevailing rate of Re. 0-0-3 per rupee, failing which Earnest Money deposited will be forfeited to Government and the Lorries will be auctioned at his risk.

5. Soon after the auction is confirmed by the Special Engineer, the purchaser shall take delivery of the Lorry and remove the same from the yard, failing which the Department will not be held responsible for any loss or damage that may occur.

6. Government employees are not allowed to take part in auction sale directly or indirectly.

7. The Lorries can be inspected by the intending bidders at any time during working hours.

M. VIJAYADHWAJA RAO,
8364 *Executive Engineer.*

SAGAR DIVISION, SAGAR.

Tender Notification dated 5th March 1954.

Sealed tenders will be received in the Office of the Executive Engineer, Sagar Division, Sagar, up to 4 P.M. on 29th March 1954 for the following works:—

Sl. No.	Name of place	Name of work	Amount of estimate	Amount of earnest money
			Rs.	Rs.
1	Hosanagar ...	Constructing a foot bridge across Halegudde hole near Kattekoppa ...	10,500	525
2	Sagar ...	Constructing a foot bridge across Varada River near Kanle. ...	10,000	500

1 The work is to be completed within four months from the date of work order and monthly progress should not be less than Rs. 2,500.

2 Tenders should be presented in the prescribed form obtainable on payment of annas four per form from the Office of the Executive Engineer, Sagar Division, Sagar, in a sealed cover superscribing the name of the work tendered. The name of the contractor should also be superscribed on the top of the cover.

3 Tenders to be quoted on the rates for individual items of works instead of quoting on percentage basis.

4 Each tender must be accompanied by a duplicate chellan of Rs. 525 and 500 for having credited into the treasury the required deposit amount under the "Revenue Deposits" or "Mysore Government Bonds" duly endorsed at face value or market value, whichever is less, as earnest money. Tenders not accompanied by the treasury chellan for having credited the earnest money will be rejected.

5 For lumpsum provisions for non-tendered items, the rate will be paid as per current minimum schedule in the case of scheduled items and rate with 10 per cent profit for items which do not find place in the schedule.

6 Plans and estimates and other particulars can be had for inspection in the Office of the Executive Engineer, Sagar Division, Sagar, on all working days between 2 P.M. and 5 P.M.

7 The successful contractor should bind himself to abide by the departmental rules in force and should execute the necessary mutchalika within a fortnight from the date of receipt of intimation of acceptance of his tender, failing which, his earnest money will be forfeited.

8 The final acceptance or recommendation for acceptance will rest with the Superintending Engineer, Shimoga Circle, who does not bind himself to accept the lowest or any other tender or to assign any reason whatsoever for the rejection of any.

9 No conditional clause will be accepted.

10 No sales-tax, octroi-tax, or any other tax prevailing in the area will be admitted by the department.

11 No cheques will be accepted for earnest money and no request for the adjustment of the amount due by the Government can be entertained.

12 The rates quoted will hold good till the acceptance or otherwise by the competent authority.

13 The submission of the tender by a contractor implies that he has read the notice and the conditions of the contract and has made himself aware of the scope and specifications of the work to be done and of the schedule of rates, etc.

14 If the work is not completed and handed over within the specified time, a fine of Rs. 50 will be levied for every fortnight's delay.

15 Tendered contractor has to pay compensation to the disabled workmen under him for any injury caused during the execution of the work, failing which the earnest amount will be deducted from the bills and paid to the injured.

16 Sales-tax clearance certificate should be produced along with the tenders.

8625 ———

Notification dated 6th March 1954.

Re:—Body building of two lorries (DESOTO) of Sagar Division.

Dear Sirs,

Please be good enough to intimate your best prices and earliest time of delivery of the lorries after body building. The quotations will be received up to 4 P.M. on 29th March 1954.

The quotation should accompany with the Treasury chellan for Rs. 250 being the earnest money credited to "Revenue deposits".

The work should be completed within 45 days from the date of issue of work order.

SCHEDULE.	No.
1. Construction of body on 3 to 4 tons capacity 158" wheel base DESOTO lorry chassis ...	Two
2. Type of body:—Open body with drop sides for rear and two sides, front side back to the cabin is fixed one.	

Dimensions of the body:—Length of body is 11½' to 12' width, 7 feet, height of the sides, rear front ends 1½'. If the length of the chassis is little short, it has to be extended by fixing chassis piece by 1 foot in length.

Details of the body:—Two longitudinal beams of sizes $7'' \times 3\frac{1}{2}''$ of height to be run on the chassis to the full length. Horizontal beams of sizes of $5\frac{1}{2}'' \times 3\frac{1}{2}''$ total in number 9 to be rest on the longitudinal chassis. Beams in equal distances of 1 to $1\frac{1}{2}'$ distance apart both the horizontal and longitudinal beams to be firmly fixed to be the chassis by means of 5/8" or $\frac{3}{4}''$ bolts by drilling through bolt holes and to be locked with double nuts. They also to be clamped with 1 clamp at least four on each sides by making necessary grooves.

Flooring:—Full length of the body to be floored with 3/16" thick M.S. flats, M.S sheets to be one length longitudinal and may be two in breadth. M.S. sheet to be fixed to the beams by countersink bolts and nuts at suitable distances apart and they should be firm.

Sides:—Body drop sides to be constructed by 3/16" M.S. sheets.

Top sides be protected with $\frac{1}{4}'' \times 1'' \times 1''$ M.S. angles both internally and externally and they may be fixed either with revets or bolts and nuts if suitable sizes. Drop sides has to be constructed by fixing flat iron or angle, iron $\frac{1}{4}'' \times 1\frac{1}{4}'' \times 1\frac{1}{4}''$ and fixing hinges. Hinges to be fixed to the horizontal beams and $\frac{3}{4}''$ M.S. rods to be run on the full length of the two sides and rear.

Three angle iron supports to be provided to the front side of the drop sides to the drivers cabin. Cabin to be so constructed as to make accommodation for seating of two persons excluding driver. B. S. VENKATESIAH,
8626 *Executive Engineer.*

OFFICE OF THE EXECUTIVE ENGINEER, HONNEMARADU SURVEY DIVISION, JOG.

Brief Notification dated 6th March 1954.

No. 44. The attention of the public is invited to the detailed Notification inviting sealed tenders for the construction of buildings for the maintenance staff at Shimoga, in connection with the construction of 66 K.V. Transformer line from Shimoga to Davangere, etc., published on page 136 of Part VI of the *Mysore Gazette*, dated 4th February 1954.

The last date of receipt of the tender is extended up to 4 P.M. on 26th March 1954. Each tender should be accompanied by the receipt for the earnest money noted against each work paid in cash to the Divisional Treasury or in the Office of the Senior Operator, Electrical Department, Shimoga.

M. V. A. SETTY,
2133 *Executive Engineer.*

DAVANGERE DIVISION, DAVANGERE.

Brief Notification dated 24th February 1954.

Sealed tenders will be received at the office of the Executive Engineer, Davangere Division, Davangere up to 4 P.M. on 22nd March 1954, for Construction of Middle School Building at Ganganakatte in Davangere Taluk.

Each tender must be accompanied by a treasury chellan for Rs. 1.000 (Rupees One thousand only) credited to the Treasury under "Revenue Deposits" in cash as earnest money. The earnest money of the successful contractor will be retained as security for the fulfilment of the contract. No cheques will be accepted.

The work must be completed by the end of seven months after the acceptance of the tender and the monthly progress should not be less than Rs. 3,000. Whenever stipulated progress is not achieved or work is stopped without proper grounds, penalty at $2\frac{1}{2}$ per cent per month of the cost of the works remaining to be done will be levied on the contractor. In the event of failure to fulfil the contract, fixing up a fresh agency by cancelling the defaulter is left to the discretion of the Executive Engineer, Davangere Division, Davangere. Intending contractors wishing to quote should obtain details as to the terms of the quotation, etc., from the Office of the Executive Engineer, Davangere Division, Davangere and copies of contract schedules and quantities may be seen at any time on all working days between 11 A.M. and 5 P.M. (on Saturdays from 8 A.M. to 12 NOON). Forms may be had on payment of annas four per from.

Specific rates should be given for each item in the Schedule accompanying the tender and the rates should be in rupees annas and pies and expressed in words and figures. Tenders offering percentage reduction or excess on, the estimated amount will be rejected.

The rates quoted, work conditions "Subject to fluctuations" will not be accepted. The agreement should be executed before starting the work after issue of the order. The final acceptance of the tender will rest with the Executive Engineer or Government who does not bind to accept the lowest or any tender or to assign any reason whatsoever for the rejection, if any.

Income-tax clearance certificate issued by competent authority should be attached to the tenders.
